InfoTag

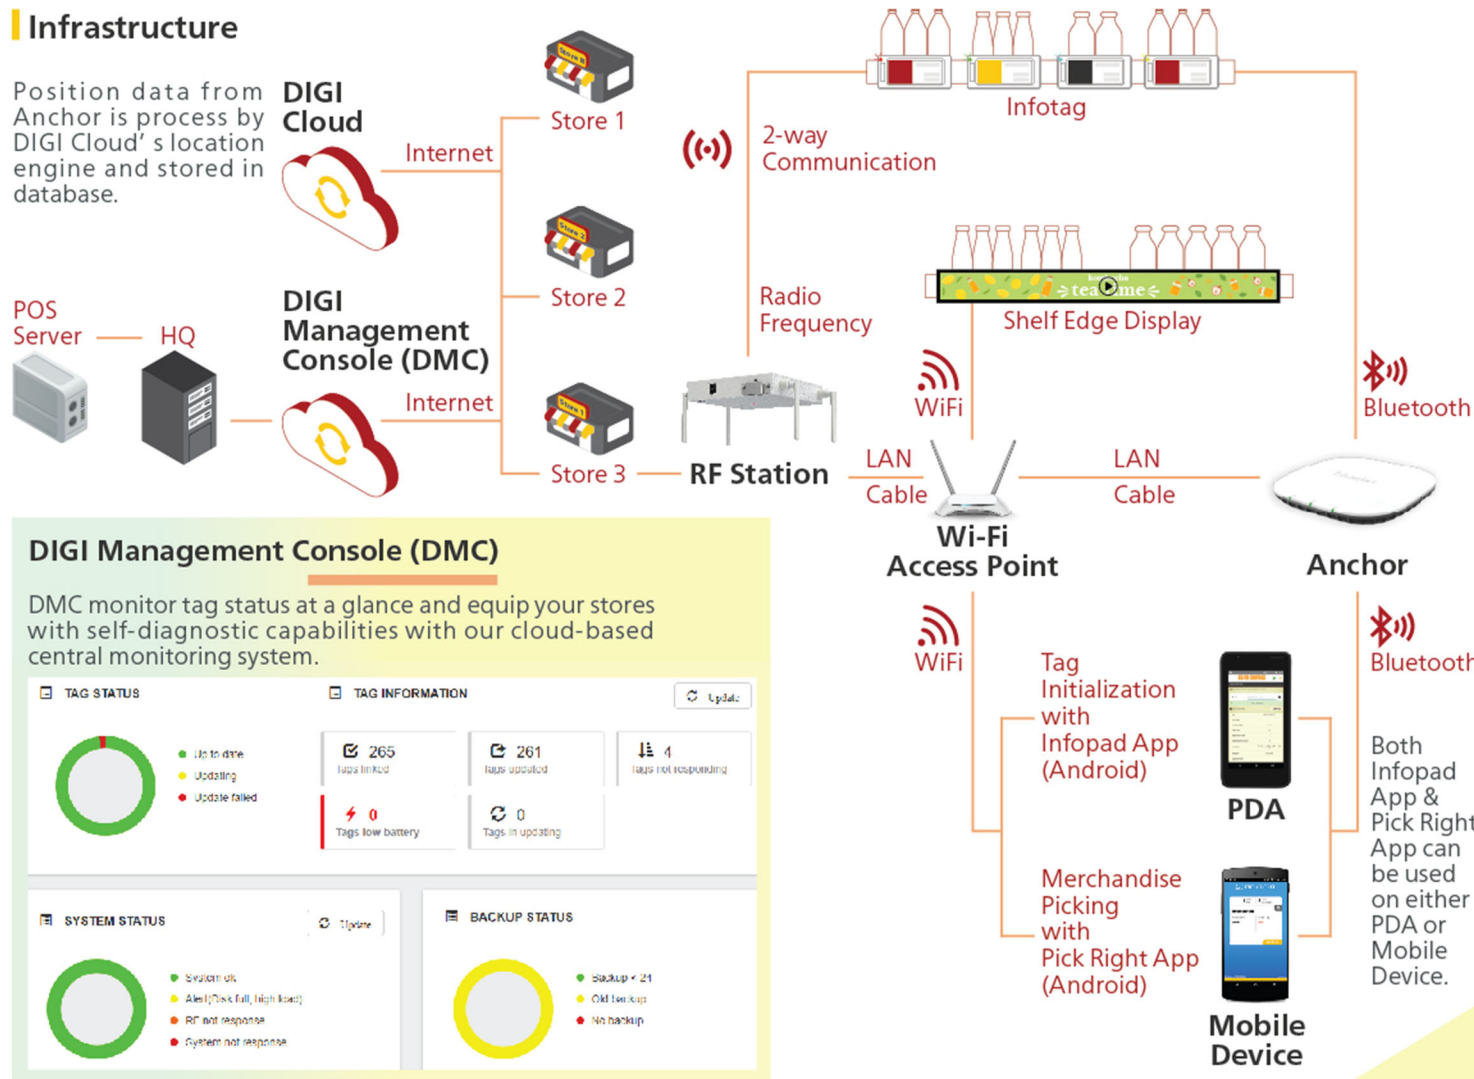

Reimagine Possibilities

Searching for a New Balance

Infrastructure

Position data from Anchor is process by DIGI Cloud's location engine and stored in database.

Benefits

- 01 Agile & Flexible Price Updates**
 - Timely and accurate price updates
 - Flexible pricing
- 02 Enhanced Shopping Experience**
 - Omni-channel marketing
 - Increase brand loyalty
- 03 Enabling Sustainable Retail**
 - Paperless operation reduces expenses on consumables
 - Maximise tag longevity with replaceable batteries
- 04 Low Energy Consumption**
 - Power saving design
 - Up to 10 years** (normal temperature) & 5 years** (low temperature)
- 05 Efficient Operation**
 - Reduce manpower and logistics cost
 - Improve on operations productivity
- 06 Remote Access & Monitoring**
 - On-the-go access with cloud-based reporting
 - Ease of configuration with remote tag design synchronization

Reimagine Possibilities

Indoor Positioning Solution

Via Bluetooth technology, the location of the user and the desired item can be accurately calculated to indicate the shortest picking route on the InfoPad app.

User with InfoPad Device

InfoTag and InfoPad device broadcast their locations to an anchor.

Merchandise Picking

Combine real-time positioning with InfoTag's LED blinking to achieve quick and hassle-free order fulfilment.

HD 4-Colour ePaper Display

Display content in black, white, red and yellow with maximum readability under all lighting conditions.

Split Screen

Accommodate additional PLU or pricing information to maximise shelf space for higher return of investments.

Freezer-Friendly

Low temperature variants are also available to support freezer environment between -25°C to 5°C.

Multiple Sizes with Enhanced Durability

Sleek yet durable, the splashproof InfoTag comes in 6 different sizes - 1.54", 2.13", 2.9", 3.7", 4.2", 5.83", 7.5" and 10.2".

NFC Shopper Engagement

Drive omnichannel convergence and enrich shopper experience with NFC and QR code capabilities.

Additional Page

Additional page to accommodate inventory-related details or product information.

7-Color LED

Built-in flash indicator (Red, Yellow, Green, Cyan, Magenta, Blue and White) to enhance engagement and productivity.
